From what I've experienced
I couldn't believe the truth.

Everything I remember,
everything I felt...

all of those seemed unreal.

No, as of now I don't know what
was real and what wasn't this
whole time.

YOMANGA.CO

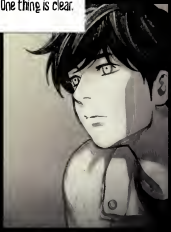
Even if everything was fantasy and a lie...

One thing is clear.



The fact that I killed my best friend with my own hands...

YOMANGA.CO

From a young age I was cursed.

YOMANGA.CO

Not that I can see dead people...

but I could hear the voices of the dead, and sometimes monks would tell me something will possess me.

Maybe that was why.

3 years ago.
I felt something strange when I stepped into that school.

YOMANGA.CO

...I thought it was nothing so I ignored it but it felt too odd.

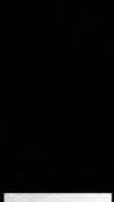
Then why did you endorse into that school?

It was a man...
It was because of a man.

YOMANGA.CO

I had a friend who I knew from high school.
We were very close.

We started going out,
and we decided to go to the same university.



It was university suited for both of our grades.

YOMANGA.CO

It's just a hunch. Right?

I know it is... but it just doesn't feel right.

You told me you won't be like this.
Didn't you tell me that you won't believe those instincts of your as well?

YOMANGA.CO

But...
this time...
Suit yourself!
I like this university!
No, this is the only one
I can go to!!
벌떡-
I'm not even thinking
about studying properly.
I'm just wanting to
graduate!
So just go off
and find a school
that suits your hunch!!

YOMANGA.CO

Finally,
we both went to that school,

and we lied to our parents and got a place to live together.

YOMANGA.CO

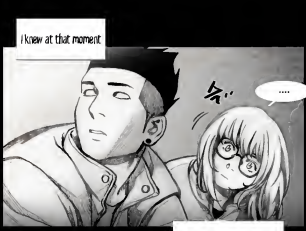
School was okay.

It was fun living together.

YOMANGA.CO

YOMANGA.CO

YOMANGA.CO



I knew at that moment
....
The source of the bad hunch I kept worrying about...

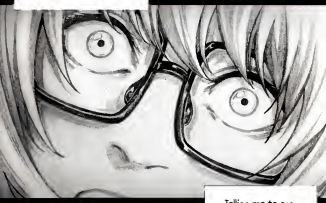
It was her.

YOMANGA.CO

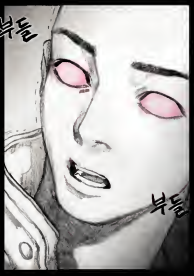
I didn't know anything.

But I knew for certain it was her.

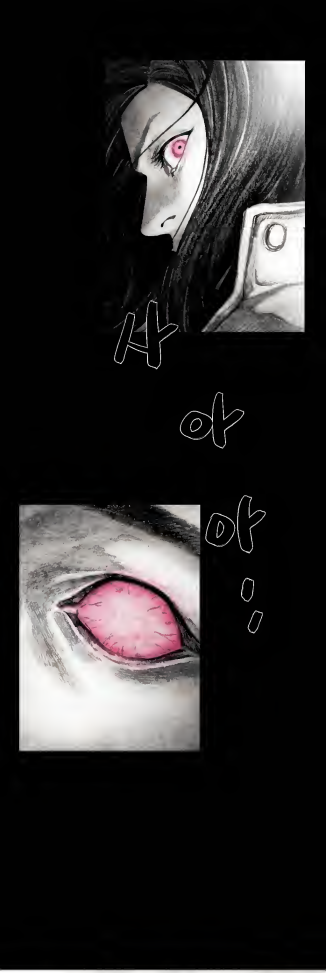
At that moment everything inside my body was screaming.



Telling me to run..



YOMANGA.CO



YOMANGA.CO

YOMANGA.CO

As soon as I found out about her existence one thing happened after another.

No, I started recognising things going wrong that was happening from the start.
